refuse to permit the case to be taken from it and instructed it to demand all the evidence in the matter and to investigate i completely and fearlessly.

Mr. Jerome was not in court when the Judge addressed the Grand Jurors, but was represented by Assistant District Attorney Nott, who, however, made no comnent on the Judge's remarks. At the end of the Judge's address Edward Van Valk-enbergh, foreman of the Grand Jury, had conference with Judge O'Sullivan, and asked him how his instructions to con tinue the investigation should be inter-The Judge told the foreman ! was his place to go to Mr. Jerome and de mand all the information in his possession touching on the matter. Then, he said, with this the Grand Jury should go into the subject as deeply as possible to de-termine if any crime had been committed

and what crime. Fail to Find Jerome.

Acting on this advice, Mr. Van Valkenbergh and another member of the Grand Jury went to Mr. Jerome's office, but did not see him, as he was out and was not expected to return until late in the after-noon. The Grand Jurors then visited Aslistant District Attorney Perkins, who has charge of the Grand Jury proceedings, and asked him how the desired informa-
